Tell me Tiny Pilot
about your ~~short short stay~~
thousand days

threads of thinning closets
flyin' around

Thinnest thread of cloud
Somewhere beneath the [thunder] of the diesel
sound of the plow ^{or the snaker}
rollin' the lawn _{is}

Oh this sharp short life
Oh this thousand days
Oh that ^{shiny} yellow airplane
his ^{fin} ~~appearing~~ ^{over the curve} ~~over the curve~~
of the earth
